

LORD, hear my voice. Be kind and answer me. PSALM 27:7 ERV

- So far this year, your gifts and the gifts of others to Bible League to provide God's Word have touched the lives of nearly 550,000 people worldwide. Children and youth account for slightly more than 40% of those reached with the Good News.
- As of March 1, Bible League partners had used nearly 3,500 Audio Bibles this year.
- In addition to providing Bibles, your gift helps train believers who help people to understand God's Word. By the power of the Holy Spirit, many find new life in Jesus Christ. Bible League has trained about 30,000 Bible study leaders, church planters, and Bible-based Literacy teachers to share the Gospel so far in 2025.

Week 3

Bible League-trained Bible study leaders in **Kenya** will soon be sharing the hope of the Gospel with children of inmates in the country's Lang'ata Women's Prison. Fifteen churches recently took part in a Bible League Bible study training in the Bronx, **New York**. Pastors and other church leaders were among the 79 people who completed the training. Pray that God will bless them as they share God's Word in their communities and grow their local churches.

Week 4

Please continue to pray for peace for **Armenia**. "For many years, we realize God is our only Hope, Helper, and Protector," says Bible League's ministry director in the country. Praise God for recent baptisms reported in **Bangladesh**, where believers risk persecution. In northern Bangladesh, a Bible League-trained church planter baptized 28 adults from the Hindu community. All are part of the country's Santali tribe. A church planter in another area reports baptizing six other people, all of whom are also members of the Santali tribe. Pray for these new believers to grow spiritually stronger every day.
